

BID-A-FLIGHT – Legal Disclaimer & Liability Statement

Disclaimer:

BID-A-FLIGHT, Inc. (“BID-A-FLIGHT”) is a **technology platform and online marketplace** designed to connect passengers, aircraft operators, and Fixed Base Operators (FBOs) for the purpose of exchanging flight information and offers.

BID-A-FLIGHT is not a direct or indirect air carrier, charter broker, or air transportation provider, as defined by the U.S. Department of Transportation (DOT) or Federal Aviation Administration (FAA).

BID-A-FLIGHT does not own, manage, or operate aircraft, and does not hold out or arrange air transportation services on behalf of any party.

All flight services are **provided solely by independent third-party operators** who are responsible for maintaining all required FAA and DOT certifications, operational control, and compliance with applicable laws.

Liability Notice:

BID-A-FLIGHT assumes **no responsibility or liability** for the performance, safety, pricing, legality, or quality of any flight, aircraft, or service offered or performed by users of this platform.

All agreements, bookings, and financial transactions are made **directly between the passenger and the operator**.

Use of the BID-A-FLIGHT platform constitutes acknowledgment and acceptance of this disclaimer.
